Notes

Record any observations you think we should be aware of e.g. any disturbance that could have affected the presence of Sphagnum along your transect route)

Don't forget to enter your results as soon as possible

Please enter your results, even if you have not found any *Sphagnum*

Entering your records online is easy and we have all the guidance you need on our website:

www.moorsforthefuture.org.uk/community-science

Alternatively, you can submit your records to us by post. Just complete the additional information below and send this form back to us at:

Community Science Project Officer
Moors for the Future
The Moorland Centre
Fieldhead
Edale
Derbyshire
S33 7ZA

Your name	
Group or organisation you conducted the survey with <i>(if applicable)</i>	
Address	
Telephone number	
Email address	

We will only contact you if we have any questions about your records. However, if you would like to be kept up to date with information relating to the Community Science Project, please tick this box

If you encounter any problems or have any queries about the surveys or about submitting your results, please contact us:
